

Aditech ICT Pvt. Ltd.: Pioneering Industrial Computing Solutions in India Founded in October 2005 as Aditech Enterprises, Aditech ICT Pvt. Ltd. has evolved into a premier technology company in India.

- **Technical Expertise:** Aditech combines technical prowess with extensive engineering experience, ensuring innovative solutions for complex industrial computing challenges.
- **Product Quality:** An unwavering dedication to product quality sets Aditech apart. Its offerings are reliable, robust, and designed to meet industry standards.

Our Clients

Our Philosophy

- **Embracing Technological Advancements:** At Aditech, we pride ourselves on our agility in adopting cutting-edge technologies as they emerge. From Artificial Intelligence of Things (AioT) , Industrial Internet of Things (IioT), Atex, Food grade, to Marine grade, we stay ahead of the curve.
- **Durable Solutions for the Long Haul:** The majority of our products boast an impressive product life cycle spanning 10 to 15 years.
- **Aditech, Where Excellence Meets Responsibility:** At Aditech, we uphold a steadfast commitment to excellence, placing customer value, Excellence, Responsibility and Innovation at the core of our business ethos.
- **Aditech's 20-Year Journey:** 200,000+ Innovative Industrial Triumphs for two decade, Aditech has been at the forefront of delivering cutting-edge industrial solutions. With a track record of over 200,000 successful implementations, our commitment to innovation and excellence remains unwavering. Each solution we provide contributes to the success stories of our valued clients.
